View facing west from Third Street near Carroll Avenue. The proposed scope is to replace the existing, outdated playground structures

View facing west from Keith Street accessible entrance into the park.  
The adult exercise equipment will be installed adjacent the physical fitness path to create a successful fitness routine.

View facing south from Third and Armstrong Streets. Proposed scope is to make this entrance accessible to the new physical fitness path.

View facing east of the athletic field north fence.  
The proposed scope is to install new gate near a level and therefore accessible threshold for the physical fitness path
