**WHAT:** Neighborhood Justice Fund

**WHEN:** Proposals due: May 13, 2019 5pm

**CONTACT:** <https://sfdistrictattorney.org/neighborhood-justice-fund-grant-program>

**NOTES:** Neighborhood Courts are a community-based approach to improving the quality, safety and cohesion of each district through restorative justice methods. Rather than pursuing traditional criminal case processing, the District Attorney's Office (SFDA) refers appropriate misdemeanor cases to one of ten Neighborhood Courts throughout San Francisco. In some cases, participants are directed to pay "community restitution." These funds are held by SFDA solely for disbursement through the Neighborhood Justice Fund grant program. On an annual basis, SFDA awards restitution funds as grants to community-based organizations for projects that will enhance the safety, livability and neighborhood cohesion of San Francisco's districts. Grants awarded during the 2019 disbursement are for projects to be completed between July 1, 2019 and December 31, 2019. In 2019, the Neighborhood Justice Fund will give priority to projects dedicated to pedestrian and bicycle safety education, citizenship and immigration rights education, and neighborhood clean-up events. SFDA strives to fund at least one project in each police district.
