

Bayview Hunters Point Mobilization
for Adolescent Growth in our
Communities

June 1, 2020

Dear Bayview Hunters Point Community Ally,

During this time of uncertainty, BMAGIC redirects our services and funding to help with challenges related to the COVID-19 pandemic. We acknowledge that your organization, foundation or business may of have shifted funding priorities as well in an effort to assist so many more in need. Additionally, what remains certain is a demand for school materials and resources when the school year begins again this Fall.

Therefore, it is with great hope and spirit of partnership, BMAGIC approaches you for a donation in support of our 17th Annual Back to School Celebration & Backpack Giveaway. Your donation will assist with the purchase 2,500 backpacks complete with school supplies so our students, grades K-12, may have the necessary tools to be prepared for academic success.

We will not be able to host the large community building event as in years past. Instead, in early August, we will work alongside our community and City partners to ensure that these materials are safely distributed to families in need. We welcome the opportunity to add your name to BMAGIC's list of socially-minded organizations supporting this effort.

Your donation aids a positive and influential endeavor that directly impacts the quality of life of children, youth and their families in Bayview.

Thank you for being part of the MAGIC!

Sincerely,

Lyslynn Lacoste, BMAGIC Executive Director
