## PROPOSED DESIGN – FEBRUARY 2021 INSTALLATION

- Lane reduction on Evans, Hunters Point Blvd & Innes Ave (Jennings St to Earl St)
- Concrete "k-rail" barriers (Jennings St to Hawes St) to reduce driver speeds and create barrier-protected areas for walking & biking
- Improved crosswalks at India Basin Shoreline Park, Hawes St, Innes Ave, Griffith St, Arelious Walker Blvd, and Earl St
- Painted safety zones to shrink size of wide intersections (like Hawes at Hunters Point Blvd), reducing crossing distance for pedestrians

# Evans/Hunters Point/Innes Quick-Build

## COMMUNITY MURALING PROJECT – FEBRUARY 2021

- Street closure event in late February to paint murals on Hunters Point Blvd concrete k-rails; sponsorship from SPIN pays for artists & materials; selection committee from local leaders & arts community
- Working with BMAGIC, Shipyard Trust for the Arts, and Livable City for event
- Working on COVID-safe community programming as part of event
