WHEN: Apply Now

CONTACT: ["Hip Hop in the Park" Youth Workshop Series](#)

NOTES: Hip Hop For Change is excited to open the registration for our upcoming youth workshop series which will take place beginning in January 2024. Youth participants (ages 13-17) will get the opportunity to choose from 1 of 5 different Hip Hop workshops. Once selected, participants will complete all 5 workshops within the series and perform in the culminating event that will take place in September 2024, and then they will receive a \$300 stipend and certificate of completion. Each workshop will be 3 hours long, facilitated by a Hip Hop For Change instructor. Workshops will be conducted at the IB Community Innovation Lab located at India Basin Shoreline Park in San Francisco.

WHO: Literacy for Environmental Justice

WHAT: EcoAdventure Program for youth grades K-12 and young adults 18-24

WHERE: Candlestick Point State Recreation Area & Native Plant Nursery - 1150 Carroll Avenue

WHEN: Apply Now

CONTACT: [EcoAdventure Interest Form \(2023-2024\)](#)

NOTES: Our EcoAdventure Program is a place-based, barrier-free, field-oriented environmental recreation and education program built on the principles of recreation, education, and stewardship. This program offers meaningful outdoor experiences for youth such as kayaking, habitat restoration, native plant nursery activities, environmental justice-based lesson plans, and more! Learn about the history of environmental justice in the Bayview Hunters Point neighborhood and experience the SF Bay through our kayaking program at Jackrabbit Beach in Candlestick Point State Recreation Area (kayak gear provided). Build on learning objectives in the outdoors with environmental education about native plants, SF ecosystems, and more. Come join us at our native plant nursery to learn about restoration ecology through plant monitoring and maintenance and support our park stewardship by removing invasive weeds, restoring native plants, and upholding our community's habitats. We partner with local teachers, environmental educators, and youth groups alike!

JOB AND INTERN OPPORTUNITIES

This section includes: job readiness classes, employment, internships, and stipend work

YOUTH (14-21) & TAY: TRANSITIONAL AGED YOUTH (16-24)

WHO: Project Pull

WHAT: 2024 Project Pull Internship Program

WHERE: San Francisco

WHEN: Application deadline - Wednesday, February 14, 2024, by 5pm

CONTACT: [High School Internship Application](#)

NOTES: Project Pull is a paid summer internship program for highly motivated (current) sophomores, juniors, and seniors in high school. It provides youth with a mixture of educational, challenging, and fun opportunities both inside and outside the workplace. During the eight (8) week program, students are paired with City employees who will mentor and help provide them with work experience and the skills necessary to become successful in college, the workforce, and beyond! Interns must commit to work 20 hours a week, including 12 hours at the worksite (in-person or virtual) and eight (8) hours at in-person weekly enrichments.

WHO: UCSF

WHAT: UCSF Teen Paid Summer Opportunity

WHERE: San Francisco

WHEN: Application deadline: Sunday, February 25, 2024

CONTACT: [Programs for High School Students - Science & Health Education Partnership | UCSF](#)

NOTES: The students we are looking for are those who are: Interested in and curious about science, but may not yet feel sure of themselves in this field. Drawn to science but have had minimal exposure to it so far. Have experienced difficulties or challenges in the past that have prevented them from fully following their interests. From backgrounds underrepresented in STEM (individuals from racial/ethnic groups typically underrepresented in the sciences, individuals with disabilities, first-generation college students, individuals who reside with families who are low income or otherwise considered disadvantaged, individuals who identify as LGBTQIA+). Attend SFUSD or SF charter schools. Our aim is that these programs will make a critical difference for every participant, encouraging them to pursue their interests in science and public health and further develop their skills. Please let your students know about these programs and encourage them to apply. The due date for applications is February 25 by 11:59pm.

24+ ADDITIONAL JOBS

WHO: San Francisco International Airport

WHAT: SFO Job Opportunity - Current Operations Team Leader - AIOC - SFO (0923) [REF33900a]

WHERE: SFO

WHEN: Application deadline: Wednesday, February 7, 2024, by 5pm

CONTACT: [Current Operations Team Leader – AIOC – SFO \(0923\) \[REF33900A\]](#)

NOTES: The Current Operations Team Leader is an integrated section leader of the AIOC and is expected to work collaboratively with all AIOC personnel in addition to leading the Current Operations section which includes Landside, Terminal, and Airside Operations team members, Asset Management personnel, Customer Care staff, and liaisons for federal partners such as the TSA. The Current Operations Team Leader is also

responsible for coordinating with the Security Operations Center and 911 Dispatch to stay informed, problem-solve, and manage operational issues across the airport. This position monitors and drives operations, solves problems, generates innovative ideas, and shares information across SFO teams both internal to the AIOC and with external stakeholders. The Current Operations Team Leader may be called upon to assist in leading other functions within the AIOC, so this position is expected to maintain full situational awareness of AIOC operations to include other functions' shift goals and operational challenges.

WHO: San Francisco International Airport

WHAT: SFO Job Opportunity - Senior Management Assistant – 1844 (Safety and Compliance Assistant Administrator)

WHERE: SFO

WHEN: Application deadline: Friday, February 9, 2024, by 5pm

CONTACT: [1844 Senior Management Assistant - \(Safety and Compliance Assistant Administrator\)](#)

NOTES: Safety & Compliance Administrator - Under general administrative direction, the Aviation Compliance & Safety Program's Senior Management Assistant (Working Title: Safety and Compliance Assistant Administrator) performs complex and professional-level administrative duties, including providing administrative support to managers and staff in the Aviation Compliance and Safety Programs office. These duties include a variety of functional areas, such as: administration and performance reporting; gathering, organizing, and disseminating information; development of contract documents and administration of contract processes; evaluation of records, documentation, existing conditions and procedures against regulatory requirements; promotion compliance and reduce risk through by use of processes of the Airport Safety Management System (SMS). This position is fully integrated into the Airport's efforts to comply with and exceed the standards of Federal Aviation Regulation (FAR) 139 – Certification of Airports and assists in minimizing SFO's risk profile. The Safety and Compliance Assistant Administrator actively engages in tasks that support the Airport's Core Values of Safety & Security, Teamwork, Excellence, Care, and Equity, ensuring these values are embedded in the Airport's Compliance and Safety Programs. In addition, they are committed to the Airport's Safety Management System in establishing a safety culture through a systematic and integrated method of managing safety. Through their knowledge and experience in program administration, data analyses and reporting, and collaboration with the Airport community, they are critical to developing a positive safety culture at the Airport.

WHO: Urban Ed Academy
